Tools to boost your marketing

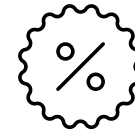

Discount codes

Create personalised discount codes to help turn interest into sales. Share the code with whoever you want, only they can use it!

Run your own sale

Got some old artwork to clear? Set the theme, discount level and time. Artfinder will promote your sale promotion on site and in emails.

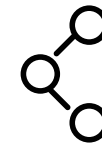

Make an offer

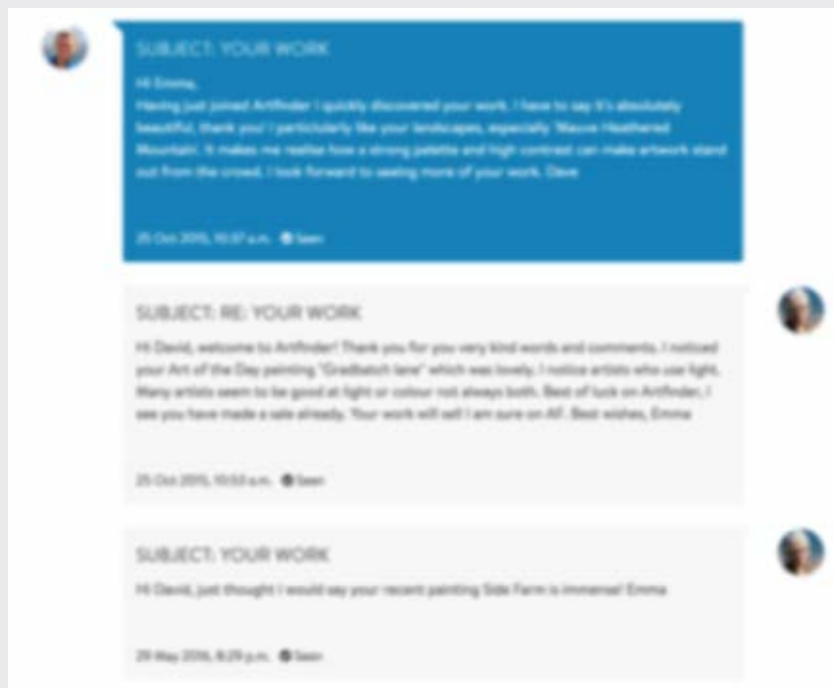

You can open your store to offers below the list price. This allows negotiation with buyers and often a little discount can go a long way and help seal the deal!

Automate social media

Coming soon to Artfinder: automate your social media posting. Upload to Artfinder to have it automatically posted to your Facebook page or Twitter.

Connect with your customers

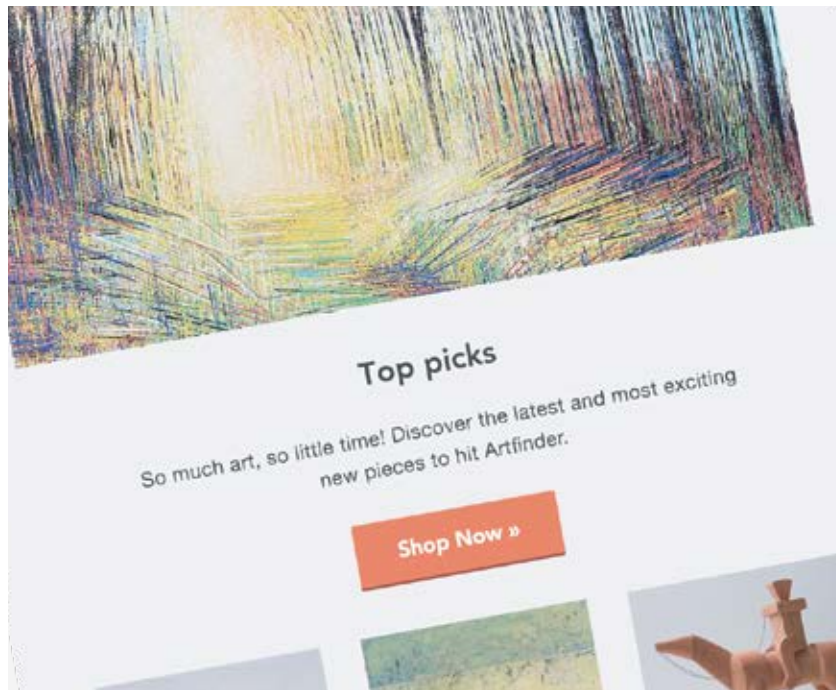

Exchange messages with art lovers around the world

Use our internal messaging system to directly correspond with customers and secure sales.

Trusted by artists and customers

”

“I’d exhibited in traditional galleries in the past and was looking for an online channel. As soon as I joined Artfinder I was overwhelmed by success, it was better than any other online site I had tried. These days I’m still selling 5 – 10 a week and I struggle to keep up to demand!”

Darren Thompson (artist), 2016

”

“Artfinder is a dream come true for me. As an artist who has worked for as long and as hard as I have, I never imagined that at this point in my career I would be selling several paintings a week to countries all over the world.”

Holly Wojahn (artist), 2016

”

“I now own pieces I would never have considered if not for the opportunity to spend hours learning to appreciate art on Artfinder.”

Jerry L (customer), 2016
